Model Year: Morris Motors launched their new models at the Motor Show in October, eg the 1934 models were shown in October 1933. If you took delivery of a new car in, say, November it would be manufactured and registered in 1933, but would be a 1934 model.
Engine & Chassis Numbers: Please take these numbers from the brass maker's plate located under the bonnet, as the log books are often wrong! Please make sure to include the prefix. eg S1/E, 34T, etc

N.B. If a car has had a previous Registration Number please record it here:
STATUS: 1 Good running order
2 Temporarily off road
